First Colony Homeschool Ensembles: Guidelines

Please help us promote a safe and edifying environment for FCHE activities by reading and discussing the importance of these guidelines with your students.

Attendance:

Each student is an integral part of the ensemble(s) to which s/he belongs and has made a commitment to that Ensemble by joining. Students should make every effort to attend each rehearsal. Consistent attendance at rehearsal (no more than two absences per semester) is essential to the success of each ensemble. While all parents are grateful when ill children remain at home, please honor ensemble instructors and fellow members by regular and consistent attendance. Parents, please inform the instructor in advance, if possible, if your student must miss class.

Conduct:

- Students should not be dropped off earlier than ten minutes before class begins, and should be picked up promptly at the end of class.
- Students must be supervised at all times, either by instructors during rehearsal, by monitors during the breaks between classes, or by parents during co-op study hall.
- Students should treat instructors, monitors, parents, and other students with respect and consideration.
- Students should dress appropriately and modestly.
- Students should treat the church facilities with care and respect.

Rehearsal Etiquette:

- Students should arrive at least five minutes before the beginning of rehearsal.
- Students should give respectful attention to the instructor during rehearsal.
- Gum, food, and drink are not permitted in rehearsals. Choristers may bring in capped bottles of water, not soda. Snacks and lunches may be eaten between classes. Please be sure to clean up.
- Parents are always welcome at rehearsals.

I have read the FCHE Guidelines and have discussed them with my enrolled students.

We agree to abide by these guidelines.
